Noble Roman's to File Routine Automatic Extension to Submit Annual 10K

(Indianapolis, Indiana) – April 1, 2024 - Noble Roman's, Inc. (OTCQB: NROM), the Indianapolis based franchisor and licensor of Noble Roman's Pizza and Noble Roman's Craft Pizza & Pub ("CPP"), today announced that it was filing for a routine automatic extension to submit its annual 10K. As previously released in December of 2023, the company has retained new auditors, Assurance Dimensions, who committed to invest additional time, at no additional cost to the company, for the purposes of acclimating to and understanding the company's business. Assurance Dimensions has not fully completed their process as of the holiday weekend; however, they have indicated they do not anticipate that they will require the full length of the automatic extension. Noble Roman's will provide an update when the release of the 10K is anticipated.

The statements contained in this press release concerning the company's future revenues, profitability, financial resources, market demand and product development are forward-looking statements (as such term is defined in the Private Securities Litigation Reform Act of 1995) relating to the company that are based on the beliefs of the management of the company, as well as assumptions and estimates made by and information currently available to the company's management. The company's actual results in the future may differ materially from those indicated by the forward-looking statements due to risks and uncertainties that exist in the company's operations and business environment, including, but not limited to the continuing after-effects of the COVID-19 pandemic, the ability of franchisees to timely prepare their units for scheduled openings, the company's ability to maintain adequate staff for new openings, competitive factors and pricing and cost pressures, non-renewal of franchise agreements or the openings contemplated by the development agreement not occurring, shifts in market demand, the success of franchise programs, including the Noble Roman's Craft Pizza & Pub format, general economic conditions, changes in demand for the company's products or franchises, the company's ability to service its loans, the impact of franchise regulation, the success or failure of individual franchisees and inflation, other changes in prices or supplies of food ingredients and labor and, as well as the factors discussed under "Risk Factors" contained in this company's Annual Report on Form 10-K for the year ended December 31, 2022. Should one or more of these risks or uncertainties materialize, or should underlying assumptions or estimates prove incorrect, actual results may vary materially from those described herein as anticipated, believed, estimated, expected or intended. If activist stockholder activities ensue, the company's business could be adversely impacted.
